FOR SALE-REAL ESTATE.

ING offers the REMEDY and the RELEGIEF.

To provide the means whereby any hogest and earnest person can acquire their own home on very easy terms of payments is the purpose and aim of "THE REAVIS SYSTEM."

This great home-building organization of a home-providing concern should be:

1st: Simplicity of plan.

2nd: To do business like a bank, on business principles.

2rd: Absolute financial responsibility, ith: Expeditious methods whereby all delays are eliminated.

3th: Economical management, wherein eds to the minimum.

6th: Consolidation of the entire business into one office, thereby saving commissions on the purchase of building lots, saving cost of examining titles, saving the cost of plans, specifications and superintendence, and many other expenses that ordinarily go with house building.

"THE REAVIS SYSTEM" is the only home-building concern which has embodied all of these salient features in its business organization, and which has so completely centralized the home-building business that it buys the land, records the deeds, examines the abstract, draws the plans for the house, builds it, superintends the construction work, and insures the property.

the property.
So great is the saving to the home buyer through this splendid systematizing of its operations that "THE REAVIS SYSTEM" is known far and wide for its ability to furnish honestly and mechanically constructed houses at very small rices.

ability to furnish honesity and mechanically constructed houses at very small rices.

"THE REAVIS SYSTEM" during the past year has erected over 100 houses in Salt Lake City and county, which is the streatest necord ever made by a home-building concern in Utah.

Nearly all of these HAPPY HOMES have been erected for FORMER RENT FAYERS, and, figuring five members to the family of each of the 100 persons for whom "THE REAVIS SYSTEM" has built, we find that over 500 people are from a landlord's domination, as the regulity of one year's work on the part of "THE REAVIS SYSTEM"
